Once upon a time,

there were siblings who got along very well together

They did fight sometimes too.

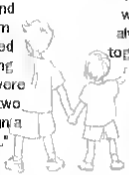
but they were very close

They played together

It was a rare day when they didn't

Everyone around them smiled saying they were like "two peas in a pod."

They were always together



She couldn't stop getting the squirts and so she became frightened to step outside

And so she stopped going outside

One day the little sister came down with a stomach ache.

It was a nightmarish incident, let me tell you!

"WOW THOSE ARE SO CUTE!"

"I DON'T WANT TO WEAR A STUPID-LOOKING THING LIKE THAT! IF I HAVE TO WEAR THAT I'D RATHER SPEND THE REST OF MY LIFE INSIDE!"

"WEAR THIS! I THINK OF IT AS A GOOD LUCK CHARM!"

And with that, she had no fear about stepping outside anymore

Quickly followed by

The Homo man

And this was where...

The Fat Lipped Alien appeared.
